CORNERSTONE
ARCHITECTS

8207 Two Coves Drive - Contemporary Home Near Hwy 360 and RR 2222

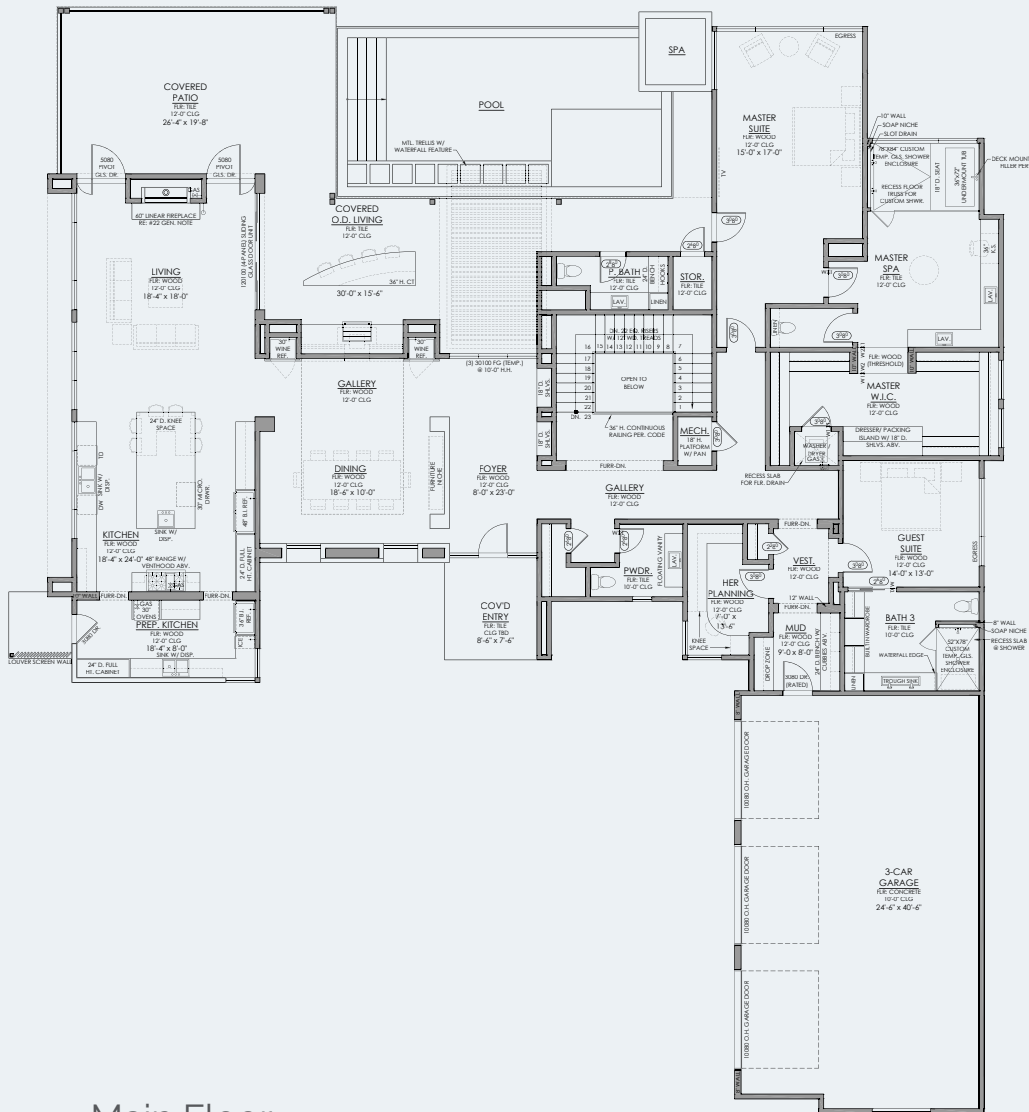

This modern home opens on a foyer with views out to an outdoor trellis with waterfall and on to the pool. The home features an incredible open kitchen/living room design with a massive island, a prep kitchen with separate caterer's entry. A great home for entertaining with a large formal dining, a large game room with an acrylic wall that is a window into the swimming pool, and plenty of outdoor living space with a large covered patio, covered outdoor dining area with fireplace, and a pool and spa. Alan Dale Homes is building this home in partnership with Sendero Homes.
